

CURRICULUM VITAE

LIUDAS GIRAITIS

19 October 2024

Contact details:

School of Economics and Finance, Queen Mary University of London,
Mile End, London E1 4NS
Tel: +44 (0)20 7882 8826 e-mail: L.Giraitis@qmul.ac.uk

Present appointment:

Professor of Econometrics, Queen Mary, University of London, 2006 -

Past appointments:

2002 - 2006: Research Fellow/Lecturer, University of York
1996 - 2002: Research officer, London School of Economics
1995- 1996: Research Fellow, Boston University, USA.
1994 - 1995: Research Fellow, Heidelberg University, Germany.
1993 - 1994: Humboldt Research Fellow, Heidelberg University.
1985 - 1992: Scientific Researcher, Lithuanian Academy of Sciences.

Education:

PhD in Probability Theory and Mathematical Statistics
Institute of Mathematics and Informatics of the Lithuanian Academy of Sciences (1984)
Vilnius University, Applied Mathematics - Diploma with distinction (1980).

Academic Awards:

1992: Alexander von Humboldt Research Prize
2005: Lithuanian National Prize for Science
2015: Multa Scripsit, Econometric Theory.

Research interests: Econometrics, Time Series Analysis, Statistics, Probability.

Professional service:

Associate Editor: Econometric Theory
Associate Editor: Journal of Time Series Analysis
Editorial Board: Lithuanian Mathematical Journal

Referee Services: Annals of Probability, Annals of Statistics, Biometrika, JASA, Journal of Time Series Analysis, Journal of Multivariate Analysis, Econometrica, Econometric Theory, Journal of Econometrics, Stochastic Processes and their Applications, Probability Theory and Related Fields and others.

Teaching experience:

Graduate Further Topics in Econometrics (*Long memory time series*, LSE)
Graduate Time Series Analysis (Queen Mary U),
Graduate Topics in Financial Econometrics (Queen Mary U),
Undergraduate Statistical Methods in Economics (Queen Mary U),
Undergraduate Statistical Theory and Multivariate Analysis (York U).

Short term visiting positions 2008–:

Michigan State University, January-May, 2014
Waseda University, Japan, July 2012.
Cowles Foundation, Yale University, September 2010.
Michigan State University, January-March, July-September, 2010
Michigan State University, March-April, August-September, 2009
Michigan State University, May 2008

Grants: KM Abadir, W Distaso, L Giraitis. RES-062-23-0790 Award/Grant Title: *Extraction of trend, cycle, and memory from economic and financial series*, (2008-2010)

Publications**Books:**

1. Giraitis, L., Koul, H. and Surgailis, D. (2012). *Large Sample Inference for Long memory Processes*, pp. 587, Imperial College Press.

Journal publications:

1. Giraitis, L., Marotta, F., Phillips, P.C.B. (2024). Cyclical time series: an empirical analysis of temperatures in central England over three centuries, *preprint*.
2. Giraitis, L., Kapetanios, G., Li, Y. (2024). Regression modelling under general heterogeneity, *submitted*.
3. Giraitis, L., Dalla, V., Phillips, P.C.B. (2024). Testing mean stability of heteroskedastic time series, *submitted to Journal of Time Series Analysis*.
4. Giraitis, L., Abadir, K., Bailey, N., Distaso, D. (2024). Estimation of random cycles in persistent time series, *submitted*.
5. Giraitis, L., Li, Y., Phillips, P.C.B. (2024). Robust Inference on Correlation under General Heterogeneity. *Journal of Econometrics*, 240.

6. Abadir, K, Distaso, W, Giraitis, L. (2024). L. Partially one-sided semiparametric inference for trending persistent and antipersistent processes. *Econometrics and Statistics*, 30, 1–14.
